To Whom It May Concern:

It is a genuine pleasure and honor for me to recommend Mike Politi for the position of Editor / Videographer. I had the pleasure of working with Mike in many, many different facets in these past few months. Mr. Politi and his awesome crew directed and shot the trailer for our upcoming stage production "What's Going On; The Reality High School Musical." which was nominated for 2 American Black Music Awards, and was selected to be featured at the 2009 NAACP Theatre Festival in Beverly Hills, Ca.

While working with Mike I admired him for his many valuable qualities, and regarded him with the utmost respect. Mr. Politi is truly a dynamic, positive leader, who fosters teamwork, employee morale, and motivation and opens communication. I have witnessed first hand, Mike act as a role model and coach while developing his cast and crew using a consistent, approachable demeanor and clearly articulating expectations. He provides appropriate recognition and rewards to individuals and groups when consistent superior performance is attained. Mike demonstrates excellent facilitator skills in resolving conflicts between different points of view, coordinates with other departments to ensure a smooth and highly productive shoot and efficient operations in a safe, friendly, comfortable environment.

In closing, let me say I have no hesitation in recommending Mike Politi for an Editor / Videographer position. I am confident that he will bring a hip-freshness, and a level of professionalism that will guarantee a successful product.

Sincerely,

Torrey A. Russell
